PROFESSIONAL EXPERIENCE

Oklahoma Group: Consultant Fall 2013

- The Oklahoma Group is a student run organization that provides pro bono consulting services for 501(c)3 firms in Oklahoma
- Worked as a member of a team to provide client with an automated excel file tracking firm performance, and a detailed plan for capturing demographic and other measurements for purposes of firm self-evaluation which resulted in sales of 2 houses

Midfirst Bank: Financial Analyst Fall 2014 – Spring 2015

- Improved efficiency of internal operations by forecasting optimal staffing ratios
- Led meetings to present findings to department executives and their teams in weekly meetings

University of Texas at Austin: PhD Student Fall 2015 through Spring 2021

- Fully funded five-year Regent's Fellowship (only student in the program)
- Graduate assistant for Professor Thomas Wiseman
 - Prepared lectures and taught the weekly discussion section for ca. 25 honors students
- Converted a research assistant appointment with Professor Pandalai-Nayar into two coauthored papers and an advisor opportunity
- Fully funded (\$5k) to present at the European Trade Study Group in Bern, Switzerland in the summer of 2019

WORKING PAPERS

"Exporter Spillovers: Learning from Exporting" by Jan Schlupp (Job Market Paper)

"This paper leverages a novel detailed dataset of US plant level exporting activity to analyze the total spillover effects of an establishment's exporting activity on its geographic area, examining the effects on both domestic and international economic activity by other firms located near exporting plants."

"Selling Abroad: A Comprehensive Portrait of US Exporters" by Stefania Garetto, Lindsay Oldenski, Nitya Pandalai-Nayar, Natalia Ramondo, and Jan Schlupp

"Provides a comprehensive set of facts on domestic exporters and multinational exporter (MNE) affiliates abroad that export using data for one country, the United States."
